# REGISTRATION

## Registering for swim lessons is as easy as 1 - 2 - 3!

1. Choose your Block - see page 5.
2. Choose your class based on age and ability level. See class descriptions on page 4.
3. Choose day(s) of the week and time slot based on the class and block of your choice, pages 6-7.

Scan with your smart phone to access all of the information from this booklet on the web!

## Now Offering Online Registration!

To access Online Registration, go to **[www.warfonline.com](http://www.warfonline.com)** or scan code below

**If you've taken swim lessons at the WARF before**, you already have an account. Click the "Forgot Password/ Create Logins?" link and enter your email address. Your temporary password will be emailed to you with instructions on logging into your account.

**If it's your first time enrolling in swim lessons**, become a Guest and fill out the requested information. After you've created/accessed your account, you will be able to register for classes. Please note that the account should be created for the person taking the class.

**If you have problems or questions**, please call 540-349-2520.

# IMPORTANT INFORMATION:

## STUDENT PLACEMENT & ADVANCEMENT

Please read the descriptions of each class to register for the appropriate skill level. Each level is based on a progression of swimming skills and **may need to be repeated until the student is comfortable enough with the skills to progress to the next level.**

## PARENTS, GUARDIANS & GUESTS

During swim lessons, guardians may watch their children from the chairs on deck or the bleacher area. Patrons accompanying students in aquatics programs who would like to use the facility must pay general admission fees.

## GOGGLES

It is recommended that students not wear goggles while in lower level classes. Goggles can be worn in Levels 3, 4, & 5, once students are working on developing and improving their strokes.

## WAIT LISTS

If a class reaches the maximum number of participants, you have the option of going on a wait list or selecting a different class. Individuals on wait lists will be contacted if and when spots become available.

## CLASS MAKE-UPS

You may only attend classes for which you are registered. No make-ups are allowed in other classes. If the WARF cancels a class, every effort will be made to provide a make-up class.

## RETURNED CHECK FEE

Returned checks will result in a \$25 service fee. This fee will be payable by cash only. The WARF cannot re-deposit returned checks.

## WHAT IS A BLOCK?

A block is a period of time when lessons are offered.

## CANCELLATION AND REFUND POLICY

If you cancel your class prior to the close of registration, you will receive a credit for another class in another session. If the WARF cancels a class due to low enrollment and we cannot place you in another suitable class, you will receive a credit to another class in another session. If you are not able to participate in another session, please fill out a refund request form to be reviewed by management staff. Please allow 1-2 weeks for a check refund. If you cancel your class prior to the close of registration you will receive a refund minus a \$10.00 cancellation fee. No refunds are available once classes have begun.

## CLASS MINIMUM REQUIREMENTS

All classes must meet the minimum number of participants requirement. If your class selection does not meet that requirement, you will be notified by phone or email prior to the scheduled start date. All classes that do not have the minimum number of participants will a) be combined with another similar class to meet the minimum requirements or b) be cancelled. If you have indicated on your registration form a second choice of class, we will move your child to that class and notify you of the change.

## DIAPERS

Non-potty trained participants must wear swim diapers under swim suit - no disposable or cloth diapers, please.

## RED CROSS SWIM MOBILE APPLICATION

The Red Cross Swim Mobile App supports and promotes the American Red Cross Swimming and Water Safety program. Children learn about water safety through video segments and has age appropriate messaging and quizzes for the parent and child to complete together. The app can be found at [www.redcross.org/prepare/mobile-apps](http://www.redcross.org/prepare/mobile-apps) and downloaded.

# Class Descriptions

**Please note that swim lesson participants may need to repeat lessons until the student is comfortable enough with the skills to progress to the next level.**

## **parent & child (6 months - 3 years)**

**Water Firsts!** Explore the wonders of the water through songs, toys and games. Adults learn proper holding techniques to provide a safe, secure and fun environment for their little ones.

## **preschool 1 (ages 3-5 years)**

**Preschooler new to swim lessons?** While enjoying the water and gaining confidence, preschoolers learn basic skills including getting their faces wet, blowing bubbles and floating.

## **preschool 2 (ages 3-5 years)**

**Do you have a preschooler who doesn't mind getting their face wet?** This class works on transitioning the preschooler into independent performance of skills. Skills include gliding, floating and using combined arm and leg actions. Skills can be performed with assistance from instructor.

## **preschool 3 (ages 3-5 years)**

**Is your preschooler water savvy and ready to swim unassisted?** This class is for the independent preschooler. Preschoolers work on swimming 3-5 body lengths and floating on their backs for 15 seconds unassisted.

## **youth 1 (ages 6 - 14 years)**

**Is your child new to swim lessons and in need of a gentle introduction?** Swimmers learn water safety skills, breathing, buoyancy, basic locomotion and gliding 2 body lengths.

## **youth 2 (ages 6 - 14 years)**

**Does your swimmer love to jump into the water?** Swimmers continue water safety skills, breathing, buoyancy, locomotion and increase gliding skills to 5 body lengths and floating on their backs for 15 seconds. Rotary breathing, front, tuck and jelly fish floats are introduced.

## **youth 3 (ages 6 - 14 years)**

**Ready to develop your inner swimmer?**

**Does your swimmer swim front crawl 15 yards?** Your swimmer will expand their stroke development with addition of elementary backstroke, scissor and breaststroke kick. Swimmers strive to improve their endurance, buoyancy, rotary breathing and front crawl. Progression of diving is introduced.

## **youth 4 (ages 6 - 14 years)**

**Ready to fly?** Emphasis is on maintaining a strong front crawl and elementary backstroke, with the addition of breaststroke, sidestroke and butterfly!! Open turns and dives are practiced.

## **youth 5 (ages 6 - 14 years)**

**Ready to go the distance?** Swimmers will work on previous level skills while adding more distance to established strokes, along with the addition of flip turns.

# WARF Swim Club

Take the plunge into WARF SWIM CLUB where those who have completed Level 4-5 swim lessons (or equivalent) can refine their technique, build endurance and just have fun. Learn starts and turns, build skills, and stay in shape in a supportive environment. Proper stroke technique is emphasized, as each student learns to improve their swimming abilities. This is not a swim team, but rather a bridge for those who wish to work towards participating with a competitive swim team, or stay in shape for Summer leagues!

Evaluations are available, when needed, to assess swimming ability and placement in the Swim Club. Please see a Front Desk staff member for more information.

## Lifeguard Recertification Blended Learning

Participants must provide a current copy of American Red Cross Lifeguard certification and successfully pass the pre-requisite swim that will be administered at the start of the in-person skill session. This is a blended learning course. Participants will be sent a link and will be required to complete the classroom portion on-line. Please note: there will be an additional \$35 cost paid directly to American Red Cross upon on-line enrollment via instructor sent link. The one-day skills session will include First Aid/CPR/AED, & a Waterpark skills component. Participants should bring their own breathing barriers or may purchase one the day of class. Be sure to include an active email address at time of registration.

**Prerequisite Swim:** 300 yard continuous swim demonstrating breath control and rhythmic breathing (any combination of front crawl and breaststroke). Tread water for 2 minutes using only the legs. Timed event (1 min 40 sec): starting in water, swim 20 yds, retrieve 10 lb brick from depth of 7-11 ft and swim 20 yds back to side of pool and exit water.

### Lifeguard Recertification Training
